- ✓ Network cable connection
- ✓ Priority level management
- ✓ Zone control

Interface Introduction

Interface Name	Description
① Switch	Power switch
② Power	Power input, 24VDC
③ USB	USB input
④ Remote Control	RJ45 interface, connect to the panel or the next Paging
⑤ 120R Switch	Matching resistor connection switch

Technical Specification

Model	AW-EV601
Work Voltage	24VDC
Work Temperature	-10℃~50℃
Work Humidity	≤95% RH
Size	240*180*53mm
Distance	≥600m(with CAT-5E OFC cable)
Remote MIC communication	CAN bus
weight	About 1.5kg
